Local Delivery SACE and VET Subject Outline 2021

Delivery School	Cleve Area School
Subject Name	Mathematical Methods
SACE level	**Stage 1** Stage 2
Subject Description	Stage 1 Mathematics provides the foundation for further study in mathematics in Stage 2 Mathematical Methods and Stage 2 Specialist Mathematics. This course will cover only the recommended topics for students to continue with Stage 2 Mathematical Methods. If students intend to study Specialist Mathematics at Stage 2 then additional units (10 or 20 credits) of Stage 1 Mathematics will be required.
Period of delivery	**Semester 1 and/or Semester 2**
Intended Delivery Method:	Flipped Learning through Microsoft Teams. Twice weekly video conferencing through Teams. 3 Face to Face lessons per semester (one per topic).
Intervention Support	Traffic Lights emailed to parents twice per term. Additional video conferencing to be arranged as required. Additional site visits negotiable.
Reporting	Parents and receiving school notified of all summative assessment results by email. Any other reporting requirements as per receiving school.
Cost	Per Semester: $600 per student + 3 days TRT per school Additional TRT costs if further intervention requested.
Curriculum Considerations	Completion of all or parts of Year 10A Maths curriculum desirable.
LD Delivery school policies relevant to receiving school/student	Deadline and Plagiarism policies in line with SACE Expectations.
